As a driver and/or entrant, I make this request for entry into a Vintage Auto Racing Association race event with the knowledge that motor racing is dangerous and that I will be expected to sign a "release form" before being entitled to compete. Driver/entrant further Acknowledges that vintage racing may involve dangers present in any form of contemporary racing, and that vintage racing may also include special dangers including, but not limited to, lack of contemporary safety equipment in their own or in competitors cars such as roll cages, fuel cells, fire systems, etc., and race groupings which may include different types of cars in the same group creating potential problems of visibility and disparate speed potential. In requesting this entry I acknowledge that I understand and voluntarily assume these and all other risks inherent in vintage racing.
